Sri Raghavendra Swamiji's incarnation in Kaliyuga can be considered a manifestation for the upliftment of the Sajjanas. Sri Rayaru's Pontification day to the Vedantha Samraajya and his Birthday fall in the same week during the 'Phalgun Maasa'. This is celebrated as " Sri Raghavendra Saptaaaha Mahotsavam".

Chitradurga is a place of historical significance. It is said that during the dwapara yuga the Pandavas took shelter here during the laaksha gruha incident. Rayaru visited chitradurga twice during His lifetime. He granted moksha to His disciple Neerina Venkanna in this place. Sri Raghavendra saptaaaha, commemorating the Pattabhisheka (402nd year) and birthday of Rayaru (428th year), will be celebrated in chitradurga from 21-02-2023 to 27-02-2023. Along with this, we are celebrating the festivities in memory of various Daasa shrestas like Sri Kanaka Daasaru and Purandara Daasaru.
